

CHAPTER – 3

PUBLICATIONS WHICH FILED ANNUAL STATEMENT FOR 2020-2021

3.1. Under Section 19(D) of the PRB Act, 1867, it is mandatory for every registered publication to submit an Annual Statement to the Office of the Registrar of Newspapers for India. The Annual Statements are the principal source of data for compilation of the Annual Report of the Registrar of Newspapers for India called “*Press in India*”. RNI has taken steps to facilitate the process of filing of the Annual Statements by publishers and an online system of e-filing of Annual Statements has been put in place on our website. However, it is observed that not all the publishers are submitting their Annual Statements. Non-compliance with the above provision of the Act by publishers has so far precluded this office from claiming this report to be a comprehensive data bank of the print media in India. However, in order to make this report a more meaningful document with authentic statistical information, the Annual Statements received online from the publishers for the year 2020-2021 have only been taken into account in this chapter. Out of 1,44,520 registered newspapers & periodicals as many as 32,938 submitted their Annual Statements including 214 publications of Miscellaneous classification. The chapter depicts a general trend in Print Media in the country on the basis of various parameters such as – Periodicity, Language, State, City, Small Town, etc.
