**ADVISORY No. 26 of 2025**

**Subject:** Advisory for Publishers Regarding Undelivered Registration Certificates -reg.

It has come to the notice of this office that several Certificates of Registration (CRs) issued to publishers have been **returned /undelivered** by the Postal Department. The primary reason cited for return is the unavailability of the addressee at the address of publication provided at the time of registration.

2. In view of the above, the publishers/owners concerned are hereby advised to collect their undelivered Registration Certificates in person from the **Office of the Press Registrar General of India** at the earliest between 2 and 4 p.m. on any working day. Such certificates will be given on production of identity proof by publishers/owners.

3. The publishers are also requested to ensure that the address of publication provided at the time of applying for the Registration is accurate, operational, and accessible to avoid such instances in the future. A **detailed list of the Newspapers /Periodicals** whose Registration Certificates have been returned is enclosed as **Annexure-I**.

This issues with the approval of Press Registrar General.
