**ADDENDUM**

Date: 15.09.2025

**Subject: Addendum to Circulation Verification Guidelines dated 04.08.2025 (CV)**

This is to convey that this office has decided to add the following clause to the guidelines for Circulation Verification through Desk Audit, dated 04.08.2025.

*If a periodical is published on lesser than 350 days within a given publication year, Circulation Verification (CV) will not be conducted for those newspapers. However, if the publisher regularly publishes the newspaper on weekdays (Monday through Friday) and also publishes additional editions with a separate PRGI Reg. No. on other days (e.g., Saturday or Sunday), bringing the total number of publishing days to 350 or more, CV will be conducted. If the total number of publishing days, including any additional Saturday/Sunday editions of the same newspaper as mentioned above, still does not reach 350, CV will not be conducted.*

Therefore, all publishers concerned are requested to adhere to this updated condition for circulation verification.

This issues with the approval of the Press Registrar General.
