ADVISORY No. 07 of 2026

Subject: Advisory for PIB Nodal Officers enhancement of dashboard Functionality and Data Alignment on the Press Sewa Portal.

Reference is invited to all Nodal Officers of PIB region appointed for verifying the regularity on the Press Sewa Portal as per Rule 10 of Press and Registration of Rules, 2024. In this regard, it is informed that following functionalities have been incorporated in the Press Sewa Portal:

I. A provision in the dashboard has been added to enable **selection and approval of regularity for multiple copies** in one go for a single edition, in order to improve efficiency and reduce repetitive processing.

II. Another dashboard has been added which is **Management Information System (MIS)**. The MIS module provides tabular summaries of applications with Specified Authorities (SAs) across various districts within the state/UT.

All PIB Nodal Officers are advised to utilize these enhanced features to ensure better data alignment and streamlined processing. Necessary follow ups with specified authorities must be undertaken, based on pendency shown.

This advisory is issued with the approval of the Press Registrar General of India.

(Pamula Ratnakar)
Deputy Press Registrar General
