**ADVISORY No. 12 of 2026**

**Subject: Advisory to Publishers/Owners regarding submission of application for ownership transfer-reg.**

It has been observed that applicants are submitting multiple titles along with their respective editions under a single Ownership Transfer application on the Press Sewa Portal.

2. In this regard, it is hereby clarified for the information and guidance of all owners/publishers that the following instructions may be followed while submitting the application of ownership transfer:

- One Ownership Transfer application should be submitted for only one title along with all its editions.
- Applicants should **not combine multiple titles** in a single application, even if the ownership pertains to the same entity/person.
- Separate applications are required for each individual title along with all its editions proposed for ownership transfer.

3. Applicants are requested to carefully follow the above instructions while submitting applications on the Press Sewa Portal to avoid delays, deficiencies, or rejection of applications during processing.

4. This issues with the approval of the Press Registrar General.
