ADVISORY No. 17 of 2026

**Subject: Mapping of Unmapped Titles on the Press Sewa Portal-reg.**

It has been observed that many titles registered with the Office of the Press Registrar General of India (PRGI) are currently **unmapped** on the **Press Sewa Portal**, i.e., these titles are not linked to any owner profile on the **Press Sewa Portal**.

2. All concerned owners are requested to map the titles registered in their names on the **Press Sewa Portal**.

3. Concerned owners are advised to log in to the **Press Sewa Portal** and complete the title mapping process by following these steps:

**Log in to the Press Sewa Portal** using your login credentials → Click on the **Profile** icon located at the top-right corner of the screen → Select **Profile** from the drop-down menu → Scroll to the bottom of the Profile page and click on **Previous Data Mapping** → Enter the **Registration Number** of the title and click **Search** → **Select** the relevant title from the search results → Click **Confirm** to complete the title mapping process.

4. In case an owner profile has not yet been created on the **Press Sewa Portal**, owners are advised to refer to the "**How to Make Owner Profile (for Annual Statement)**" video available on the home page of the <https://prgi.gov.in/>, the video provides step-by-step guidance for creating an owner profile as well as mapping registered titles to the owner profile.

5. Mapping of titles is essential for filing of annual statements and submission of online regularity for the respective publications.

6. Failure to map the titles may invite such action as deemed appropriate by the Press Registrar General of India under the provisions of the **Press and Registration of Periodicals Act, 2023** and the rules made thereunder, including cancellation of the concerned title(s), wherever applicable.

7. This issues with the approval of the Press Registrar General.
